

JUNE 11, 2017 – Solemnity of the Holy Trinity

HYMNS FOR TODAY'S LITURGY—

Entrance: #204, Offertory: #423,
Communion: #85, Recessional: #190

THE MOST HOLY TRINITY - THE INEXPRESSIBLE MYSTERY - *The God of the universe is mysterious. Science has not been able to solve the mystery of how the universe came into being or explain exactly what continues to give it creative energy and masterful design. No religion asserts that it has found words to name fully the ineffable mystery of God, for no matter what name we use, God always transcends our limited ability to understand. God is a mystery to be believed, not known. And yet, we Christians believe that our name for God best expresses that inexpressible mystery: God is the Most Holy Trinity of three persons united in a communion of love, pouring forth that creative, saving, sanctifying love into the world. Today's scriptures celebrate the mystery of the Trinity and give us clues for living that mystery in our lives.* Copyright © J. S. Paluch Co., Inc.
