**A VISIBLE GOD** - We find it difficult to convey ideas to people unless we can actually show them something, demonstrate what we mean. God, who is invisible and truly beyond human understanding, apparently faces the same difficulty. People want to see, not just listen to an idea. So God gave us Jesus Christ, God made visible in the world. During these past weeks we have seen how Jesus was revealed as an infant to the shepherds and the magi, and then began his adult public life at his baptism by John. Today's Gospel reading tells us of his first sign, providing wine for the wedding guests at Cana. Of course, even Jesus, God made visible, was not always easily understood in his own day, nor is he even now. So we have to ponder what we see: the poverty and simplicity of his birth, his humility and openness before John the Baptist, his kindness and compassion toward people in their ordinary problems, such as running short of wine at a wedding. Yet it is in coming to know Jesus that we come to know God. Copyright (c) J. S. Paluch Co.
