SAINT JOSEPH THE WORKER CAMP

St. Joseph the Worker Camp is a week dedicated to local service and fun. **Our camp week this year is June 24-27.** We begin each morning helping MadCAAP (Madison Countians Allied Against Poverty) with their Vacation Bible School program. This year we will also be collecting snack foods to send home with the kids from MadCAAP. We will need snack food and drinks for 30 children for 4 days. Teen volunteers (7th-12th grades) are asked to be at MadCAAP in Canton by 8am to start the day with prayer before the children arrive. The children leave at noon and the volunteers to stay until 12:30 to help clean up. Breakfast and lunch are provided. After lunch we head out in the community to serve in various ways such as, playing Bingo with the residents at the Canton Nursing Home, cleaning and light yard work at the Carmelite Monastery, or working with Keep Canton Beautiful. We finish by enjoying a little fun together before heading home each evening. This is a great opportunity to make friends in your parish community while helping out our neighbors in need!
